Authority

Ref:

I/we hereby authorise **Eco Elite Energy Solutions** to review our electricity / gas contracts. I/we authorise them to:

- 1) Carry out an audit of our electricity and gas purchasing arrangements and identify any changes in tariffs or metering that would be beneficial to us.
- 2) Obtain from our current suppliers any data that they deem necessary including billing history and half-hourly consumption data where applicable.
- 3) Invite tenders from licensed suppliers, including our current suppliers, on our behalf for our new energy contracts along with, where applicable, any “enabling” contracts necessary to comply with the relevant industry regulations.
- 4) Analyse all contract supply offers and determine the most cost effective solutions to meet our requirements and will arrange acceptance and registration of all contract offers on our behalf.
- 5) **Eco Elite Energy Solutions** undertakes to carry out its obligations under this agreement with due diligence and in accordance with the regulations governing the gas and electricity industries.
- 6) I/we agree to provide a copy bill for each gas and electricity supply for verification purposes.

I understand that this agreement shall continue annually, subject to 3 months written notice of termination.
